Patriots Day Celebration

On Monday, September 11th, it was Patriots Day. Firemen, first responders, veterans, and police officers came to our school. We enjoyed pastries, coffee, and juice. The seventh and eighth graders served drinks. The whole school made cards for our guests. Later, we all said the Pledge of Allegiance together.

Erica serves coffee to Mr. Schwoepp and Mr. J.

Jenna, Macey, Kaylee, and Gabby are happy to be reunited on the first day of school.

The First Day of School

The first day of school was fun. It was nice to see everyone again. The new 7th and 8th Grade teacher, Ms. Glastetter is awesome. The first recess was great. There were several home runs in kickball. It was a great day. The dismissal was at 11:30. We hope this year will be awesome.

The Rocket Launch – On September 19th, Ms. Carrico, the music teacher brought rockets to school. After lunch we got to shoot them off. The 7th and 8th grades helped. Erica and Logan launched them, Maddie videoed it and the rest of the 7th Grade retrieved them. Kids got to smell burnt sulfur. We lost the little rocket. Sam Chambers was going to retrieve the big one when we heard a “pop”. Apparently, the parachute went off late.

The NED Show

The NED Show was August 21st after the eclipse. NED stands for Never give up; Encourage everyone; and Do your best. It was thrilling to see the yoyo tricks. It started another trend of yoyos at the school. They sold yoyos for about a week after the show. The eclipse made the show even better.

Logan and Erica are all smiles after the Leadership Mass.

Leadership Mass

The Leadership Mass was September 6th. This was to show the school that the 8th graders are the new role models. The whole school attended. The 8th graders received a pin.

Ms. Glastetter celebrates her birthday with some of her students.

Ms. Glastetter

Ms. Glastetter is the new 7th and 8th Grade teacher. She is very nice and helpful. I am glad we have her as a teacher. She is very good at Social Studies. She makes learning fun.

Ms. Haskins and the First Grade get ready to watch the solar eclipse.

The Solar Eclipse.

The eclipse was August 21, 2017. All the kids went onto the field to watch it. It started around 11:30 am. The totality lasted about 2 minutes. It was really odd and cool to see.

By Alex Huddleston

Ms. Haskins

Ms. Haskins is the new 1st and 2nd Grade teacher. She attended St. Ignatius School when she was in grade school. She fits in very well as a teacher.
